Dear Student, Parent / Guardian,

You are warmly invited to St Peter's & St Regis Collegiate Sixth open evening, being held at St Peter's school. The first of two open evenings will be held on Thursday 9th November 2023 from 5:00-7:00. The evening will consist of two short presentations 5:15pm and 6:15pm. For those of you interested in the Basketball Academy, the basketball team will also be in attendance to answer any queries you may have.

I am delighted to say that we will be offering over thirty five different courses for students to choose from next year. We have the full range of traditional and facilitating A levels as well as an exciting range of BTEC courses and more specialist subjects including psychology, engineering, film studies, sociology, and many, many more...

Sixth Form is an exciting time for students. We aim to motivate you, inspire you and support you to achieve your potential. Our Sixth Form students are amongst some of the highest achieving in the country and each year we are proud to see our students move on to university, apprenticeships or into employment.

If you are hoping to study in the St Peter's and St Regis Collegiate Sixth but face financial barriers or difficulties we are able to make discretionary financial awards to assist you with costs relating to your studies such as transport, study materials, books, educational visits, school meals and other associated costs. For more details about financial assistance please visit the policies section of our school website.

This event is open to both current St Peter's and St Regis students in year 11 and any prospective Post 16 students from other schools. Feel free to pass this information on to anyone that may be interested.
