October 2023

Dear Parents/ carers

Re: Consent Day 2023

I am writing to inform you about an upcoming Personal, Social, Health and Economic (PSHE) education talk that is scheduled to take place on Monday, 23 October 2023.

The PSHE Consent Talk is a crucial educational session designed to educate and inform our students about the importance of consent, respectful relationships and boundaries. The talk aims to empower students with essential knowledge and understanding to make informed decisions about their own relationships and interactions.

This talk will be conducted throughout the day for different year groups, ensuring age-appropriate content and discussion. The key aspects covered during the talk will include:

Understanding Consent: Students will learn about what consent means, the importance of clear communication and respecting others' boundaries. **Healthy Relationships:** Discussions will focus on what constitutes a healthy relationship, recognising signs of an unhealthy relationship and fostering mutual respect and trust. **Cyber Safety:** Students will be educated about staying safe online, the impact of social media on relationships and the responsible use of technology. **Self-Awareness and Decision Making:** Students will be encouraged to reflect on their values, beliefs and personal boundaries to make informed decisions in various life situations.

We respect and understand that as parents and guardians, you have the right to remove your child from this session if you do not wish for them to attend. If you choose to do so, kindly notify us in writing or via email by Wednesday, 18 October 2023 to pshe@stpetersacademy.org.uk

Your involvement and support in your child's education are highly valued and we encourage an open dialogue between home and school. If you have any questions or concerns regarding this matter, please feel free to contact us.

Thank you for your continued cooperation and support in creating a safe and informed educational environment for our students.

Yours sincerely,

Mr C B Newbould-Smith

PSHE Subject Lead and Teacher of PE
