

Partial Rebuild Bulletin

Issue 6

“Be very careful, then, how you live – not as unwise but as wise, making the most of every opportunity.” Ephesians 5: 15 - 16

WB 18 March 2024

Movement of furniture and IT provision into temporary block.

Either side of the Christmas break, work on the site has continued at a pace, in preparation for our move into the temporary block.

The movement of furniture and IT provision is scheduled to commence on Thursday, 21st March 2024, ready for the summer term. Our last meeting with Kier and Chalk Associates identified solutions for the fixed furniture. An audit has also been

completed to identify what else is required to transition smoothly.

WB 24 March 2024

Easter holiday.

Over the last few weeks, a lot of work has been undertaken to connect services from our existing building to the temporary administration and teaching blocks. This work is ongoing and will continue through the half term break. If you

visit the Academy, you will see a sizeable proportion of our main car park has been allocated for the administration block, significantly reducing the number of available spaces. Therefore, please use our overflow car park opposite the entrance to Wolves' Training Facility.

12 January 2026

The new Academy block replacing A-block will be open to pupils.

Towards the end of the month, we have a large number of cabins for the temporary block being delivered before they are lifted into place. Once these deliveries have been made, it will be easier to see how the 100+ cabins will function as our learning spaces from summer 2024.
