Alumni Event

We are now within four weeks of the permanent closure of 'A Block'. To acknowledge this significant event, we are inviting Alumni students to attend on our last day of the Easter term, Wednesday 20th March 2024. You can secure tickets for this event via our Facebook page.

Before then, there remains a considerable amount of work to complete, in preparation for the transition into the temporary block. Since the last bulletin, significant progress has been made, with further groundworks to connect services across the site having been undertaken, and more deliveries of packing crates delivered.

Temporary block opens

More recently, at the time of writing, our temporary office block is being installed on the main car park and a further ten units being installed for the temporary block.

Over the coming weeks, the remaining twenty units will be delivered, finished, furnished and setup, prior to opening on Wednesday 10th April 2024. If arrangements or timescales change, we will write to parents/carers in a letter to communicate the change in the

schedule. However, I am confident that, aside from any surprises, deadlines will be met and progress will keep pace with the plan.

12 January 2026

The new Academy block replacing A-block will be open to pupils.

Thank you for your ongoing support.
