

# St Peter's Collegiate Academy

Serving the city of Wolverhampton since 1847

23 February 2024

Dear Parents/ carers

**Re: Y11/12 Higher Education & Apprenticeship  
Information Evening for Parents & Students**

You are warmly invited to attend an Information Evening at 6:00pm on Thursday, 14 March 2024 in the Hayward Theatre at St Peter's Collegiate Academy. During the evening we will set out and explain the process for university applications and how this will be managed within the academy. In addition to this, there will also be a presentation from guest speakers on apprenticeships, student finance, and the academy/ government expectations relating to work experience (WEX).

You will also have the opportunity to ask any questions and staff will be available afterward to discuss your queries further.

We recognise that the UCAS process and the associated decisions can be stressful and daunting for students and parents. The role of parents in supporting their sons and daughters at this time is a significant one and I would encourage all parents to attend and gain a greater understanding of how the process will work. The Information Evening marks the beginning of the Higher Education process at the academy. We have put a great deal of effort into ensuring it is a well-managed and smooth process.

Please sign up for this event using the following link before Monday, 11 March 2024.
