Dear Parents/Carers,

We hope that you are all enjoying the Easter holidays. Ahead of the students in Years 10, 11, 12 & 13 returning to school on Monday 8th April we wanted to provide you with further information.

All students will follow their normal timetable, and it will be Week B. The only changes that will be made will be rooms for lessons that were originally in the 'A Block'. For Monday and Tuesday these lessons have been temporarily moved into the other buildings, and from Wednesday onwards lessons which were originally in the 'A Block' will move into the Temporary Building, which we have labelled 'T Block'. To begin the day Year 10 will go to the tennis courts for line ups, Years 11-13 will go to form. For some students this will be in a different room, the details of which are below:

11LC - B36

12EP - C55

13KM - B30

11NCO - B38

12HM - D61

13NJ - B31

11PMA - B39

12SSH - F84

13DHO - C58

11JSI - B40

11NCH - C57

11LRT - E72

At the end of each lesson, the students will be informed of any room changes. In form on Wednesday 10th April the students will be issued with a new timetable.

The entrance and exit to the site has now moved, due to the building work. The entrance and exit to the site is now through the staff car park. This will be signposted, and staff will also direct students to the new location. Furthermore, videos have been placed onto our website and social media channels, and can be found here:

<https://www.stpetersacademy.org.uk/rebuild>. It is important to note that this is also now the location of the visitor reception too, so if you are visiting the school this is where reception is now located.

As well as the building work on site during the Easter holidays, we have also installed a new telephone system. We really appreciate your patience during the first few days back.

We hope that you enjoy the rest of the Easter holidays and we look forward to welcoming all of the students back into school next week.

Kind regards,

Mr. Daniel Sherriff

Vice Principal
