PSHE Parent Consultation Drop-in Evenings

Dear Parents and Carers,

We are pleased to invite you to the upcoming PSHE (Personal, Social, Health, and Economic Education) Parent Consultation Meetings at St Peter's Collegiate Academy. These meetings will be held over the first few weeks back in September/October with each year group allocated a specific evening. The drop-in evenings will run from 3:15 pm until 5:00 pm.

- Year 11 - Tuesday 10th September
- Year 10 - Tuesday 17th September
- Year 9 - Tuesday 24th September
- Year 8- Tuesday 1st October
- Year 7- Tuesday 8th October

At St Peter's Collegiate Academy, we believe that a strong partnership between school and home is essential for the holistic development of our students. The PSHE Parent Consultation Evenings are designed to foster this partnership, providing a platform for open dialogue about your child's education and well-being.

Why We Conduct PSHE Parent Consultation Evenings

These evenings serve several key purposes:

1. **Collaboration and Support:** They allow us to share our PSHE curriculum and goals, ensuring that parents and carers are informed and can support their children's learning at home.
2. **Transparency:** We believe in being transparent about what we teach and why. These meetings help demystify the curriculum and our teaching methods.
3. **Feedback and Improvement:** Your feedback is invaluable. It helps us refine our approach and ensures we meet the needs of our students effectively.

Importance of Parent Consultation in PSHE

PSHE covers crucial aspects of personal development, including emotional well-being, social skills, health education, and economic understanding. Engaging parents and carers in this process ensures that:

- **Consistency:** There is a consistent approach to these important topics both at school and at home.

- **Support:** Students receive the necessary support from all sides, enhancing their learning and development.
- **Understanding:** Parents are better equipped to understand and discuss the topics covered in PSHE, fostering open and informed conversations at home.

Meeting Agenda

During the consultation meetings, we will cover:

- **Scheme of Work (SOW):** An overview of the topics and themes your child will be studying over the next 12 months.
- **Lessons:** The structure and content of PSHE lessons, including teaching methods and resources used.
- **Assessments:** How we assess students' understanding and progress in PSHE.
- **Feedback:** Opportunities for parents and carers to provide feedback and ask questions.

We encourage all parents and carers to attend these important meetings. Your involvement is crucial to the success of our students' PSHE education and overall development.

If you would like to attend, could you please fill out this form of attendance and input any questions you wish to be answered. If, for any reason, you can not attend but still have questions you would like to ask, please complete the same form and I will contact you personally.

We look forward to seeing you there.

Warm regards,

Mr C B Newbould-Smith
PSHE Subject Lead and Teacher of PE
