

Geography Homework - Year 7
Autumn - 'Map Skills'

Retrieval	Reading	Rewarding
<p>1. Complete the homework booklet that has been assigned to you. This will develop your Map Skills as we move through the term. It is due for submission the week before Christmas.</p> <p>COMPULSORY</p>	<p>2. Explore the National Geographic website and develop your understanding of 'what actually is geography?'</p> <p>https://www.nationalgeographic.org/education/what-is-geography/</p>	<p>3. Create a map of your own house! Try to draw it as accurately as possible with an element of 'scale'.</p>
<p>4. Follow the link and complete the quiz:</p> <p>https://www.bbc.co.uk/bitesize/topics/zcmfb9q/articles/zth6trd</p>	<p>5. Find out what Climate Change is:</p> <p>https://www.natgeokids.com/uk/discover/geography/general-geography/what-is-climate-change/</p>	<p>6. Go on an adventure to a location you haven't been to before (with adult supervision), and try and make it home, using only an OS Map. No phones allowed!</p>
<p>7. Complete the 30-question Educake quiz.</p> <p>https://my.educake.co.uk/assessment/22851372</p>	<p>8. How likely is the Yellowstone 'Supervolcano' to erupt? If it did, it would change the face of the earth as we know it!</p> <p>https://education.nationalgeographic.org/resource/when-sleeping-giant-awakes/</p>	<p>9. Make a 3D model of a hill or mountain to demonstrate either: contour lines, colour shading or spot heights. An easy example can be found here:</p> <p>https://www.youtube.com/watch?v=xCoTc7SnU3I</p>
