Who are Camps International?

Camps International are award winning global leaders in ethical and sustainable school expeditions. They offer fully supported school expeditions, to industry leading safety standards, across Africa, Asia and Latin America, providing an authentic cultural experience for every travelling student.

Where will they be going and what will they be doing?

This expedition is packed full of culture and adventure. Play an active part in important community development work and experience Cambodian culture in its two largest cities, before learning to scuba dive surrounded by tropical marine life.

Cambodia is a truly incredible country to explore. Living alongside local communities, you'll get to experience the real heart of this South-East Asian gem, learning about its traditional culture and fascinating history and sampling some of its delicious cuisine. Not only will you be playing an active part in vital project work to improve the lives of rural communities, you will get to take on the challenge of mastering the fundamentals of scuba diving, surrounded by an array of colourful marine life in crystal-clear waters.

What will they get out of the experience?

This fully supported expedition will provide our students with a unique opportunity to live alongside rural communities, broadening their perspective on the world. It will allow students to push boundaries and step outside of their comfort zone, embarking on a personal development journey. It will enable them to reach and exceed their academic and personal potential, develop valuable life skills and gain key extra-curricular experience highly regarded by universities and employers.

How much does it cost and how will we pay for the expedition?

This all-inclusive expedition costs £4980 and can be paid via scheduled payment plans. Payment plans facilitate both fundraising activities and financial management. All students are encouraged to fundraise the cost, teaching them important life skills such as money management, problem solving and event planning. If fundraising is new to you, then don't worry, the Camps International crew will support you and our students every step of the way.

We look forward to seeing you and your family at the presentation. **Can't make it?** Register anyway and we will send you more information.

Kindest regards,

St. Peter's Collegiate Academy
