Dear Parents and Carers,

We hope this letter finds you well.

As part of our commitment to creating an environment in which children and adults can flourish, we are introducing a new Code of Conduct for parents and carers. This code aligns with our academy's core values of respect, service, and aspiration.

We are extremely grateful for the support provided by our parent body and the positive partnerships we have formed. However, recently, we have experienced a few instances of unacceptable behaviour towards our staff. Such behaviour will not be tolerated. We are committed to providing a safe and supportive workplace for our staff, and this code of conduct is a crucial step in achieving that goal.

The code outlines expected behaviours, including respectful communication, appropriate language, and refraining from any form of harassment or intimidation. We kindly request that you familiarise yourself with the code and adhere to its guidelines.

We believe that by working together, we can create a positive and productive learning, and working, environment for all. Thank you for your cooperation and understanding.

Yours faithfully,

Mr T Mullen-Furness  
Principal
