

Dear Parents/Carers,

I am now making final arrangements to celebrate the end of Year 11 and the last five years at St Peter's Collegiate Academy. I also want to reward the students' hard work and dedication to their studies that they have shown over the years.

One way I would like to do this is to give students the option to purchase a leavers' hoodie. If your child would like one, please use the link below to make an order from Lads and Lasses. The deadline for orders is **Sunday 6 April 2025**. Hoodies start from £15.99 with the option of personalising for an additional cost.

The hoodies will then be delivered to school in May, where students can wear them for the last few weeks of Year 11. Please note that hoodies are an **optional** addition to the uniform and **do not replace** any other uniform items. All standard uniform requirements must still be followed.

Students must NOT wear these hoodies for their GCSE examinations. Like the mock examinations, we will adopt the same approach with full uniforms and blazers being worn for exams. Otherwise, students will not be allowed to sit their exams.

Yours faithfully

Miss R Doyle
