Re: Visit to the Plas Gwynant Outdoor Pursuits in North Wales

Dear Parent/Carer,

We are offering the opportunity for Year 8 and Year 9 students to take part in a week of outdoor adventure pursuits at the Plas Gwynant, Nant Gwynant, Caernarfon in North Wales. Outdoor and adventurous activities are part of the Physical Education National Curriculum and Plas Gwynant presents an excellent and unique opportunity to participate in activities such as climbing, walking, abseiling, canoeing and many more other outdoor activities. These activities present intellectual and physical challenges and encourage pupils to work in a team, building trust and developing skills to solve problems.

The trip will take place between 20th - 24th April 2026, however this is dependent upon initial interest and deposits being paid.

Although every care will be taken to ensure the safety of students during school visits, there is always an element of risk, and for this reason, the party will be insured. However, you may wish to take out additional cover for accident or loss/damage to property as an additional safeguard.

The cost will be **£440** per student which includes instruction, food, accommodation and travel by coach to and from school.

If you wish your child to be considered for the trip, please complete the initial interest form below and return to the Finance Office by **Monday 23 June 2025**.

The trip is limited to 40 students, with students allocated onto the visit, and students' behaviour at school and their commitment to sporting extracurricular activities will be taken into consideration when allocating places, with a reserve list operating should the trip be oversubscribed. However, the school will reserve the right to withdraw students from the trip should appropriate behaviour not be observed in school prior to the time leading up to the trip. Deposits for those on the reserve list will not be processed until a place is available.

Yours faithfully

Mr K Marston
PE Department
