

# St Peter's

Collegiate Academy

Ref: KW/DS

11 July 2025

Dear Parents and Carers,

We are delighted to share that St Peter's Collegiate Academy will be holding a **Culture Day** on **Wednesday 16 July**, celebrating the rich diversity that exists within our school community.

This event is a wonderful opportunity for students to share and take pride in their own cultural heritage. We warmly encourage students to attend in traditional cultural dress, where appropriate, to showcase the variety of backgrounds that make our academy such a special place to belong. Students who do not wish to wear cultural dress are welcome to wear their own clothes for the day.

To mark the occasion, some of our talented students will be performing on the Dhol drums during lunchtime, adding energy and rhythm to our celebrations. Our academy canteen will also be serving a special menu featuring dishes from around the world, giving students the chance to experience a variety of global cuisines.

We hope Culture Day will be a joyful and enriching experience for all, promoting greater understanding, respect and celebration of the many cultures that flourish at St Peter's.

If you have any questions, please don't hesitate to contact the school office.

Warm regards,

Mr D Sherriff  
**Vice Principal**
