

**St Peter's**  
Collegiate Academy

# Open Evening 2025

## Menu of Activities

<b>Art &amp; Photography</b>	<b>Creative Journeys</b> – Try out a series of mini art activities inspired by famous artists and careers in design. Arrange natural forms on a Frida Kahlo image, collage onto a Pantone colour chart, stack stones like Andy Goldsworthy, or play photography bingo to explore composition and design.	<b>T33</b> <b>T35</b>
<b>Business</b>	<b>Branding &amp; Business</b> – Put your taste buds to the test! Explore how branding, pricing, and marketing influence everyday choices, and discover whether the label really makes a difference.	<b>T22</b>
<b>Computer Science</b>	<b>Code &amp; Create</b> – Explore the digital world through a series of hands-on stations: play an online binary game, piece together a keyboard, challenge an AI in a guessing game, and experiment with Scratch programming to bring your own ideas to life.	<b>T24</b>
<b>Dance</b>	<b>Street Dance Showcase</b> – Enjoy a high-energy performance from our Dance Club, then join in to learn some of the choreography yourself and experience the rhythm, fun, and creativity of street dance.	<b>B44</b>
<b>Design &amp; Technology</b>	<b>Wind Turbines</b> – Explore the world of renewable energy by designing and testing your own model wind turbine, and see how engineering can power a sustainable future.	<b>T7</b>
<b>Drama</b>	<b>Centre Stage</b> – Be entertained by live demonstrations from our Dance and Drama Clubs, including a striking mask theatre performance, then step into the spotlight yourself with our fun costume photo booth.	<b>B44</b>
<b>English</b>	<b>A Magical Forest</b> – Step into a classroom transformed into the enchanted world of <i>A Midsummer Night's Dream</i> . Create your own dream on a cloud cut-out using rich adjectives and nouns, or test your word skills with a themed crossword – all beneath the glow of fairy lights.	<b>D64</b>
<b>Film &amp; Media Studies</b>	<b>Film &amp; Media Fun</b> – Piece together an interactive jigsaw on the smartboard, test your knowledge in a film quiz, and decorate a bookmark to take home as a memento.	<b>D62</b>
<b>Food/ Hospitality</b>	<b>Cookie Creations</b> – Step into our kitchens and watch cookies being baked, then discover the creativity and skills that make food and hospitality such a rewarding subject.	<b>T9</b>

<b>Geography</b>	<b>Geography Explorers</b> – Discover where your food really comes from, map out where your family lives, and explore exciting topics like volcanic eruptions in a whistle-stop tour of the geography curriculum.	<b>C55</b>
<b>History</b>	<b>History Mystery</b> – Step into the role of a historical detective! Examine the evidence behind seven mysterious murders and disappearances, then decide for yourself what really happened.	<b>C56</b>
<b>Languages</b>	<b>Languages Carnival</b> – Join in the fun with games like Fish and Go, Ring Toss, Darts, Guess the Flag, and Uno, all while discovering new words and cultures from around the world.	<b>T6</b>
<b>Mathematics</b>	<b>Maths in Motion</b> – Try your hand at exciting mathematical games and see how technology like Sparx brings problem-solving to life.	<b>B40</b>
<b>Music</b>	<b>Sounds of St Peter's</b> – Watch a live rehearsal of <i>Ghost</i> , this year's spectacular school musical, and explore your creativity with GarageBand on our Mac computers.	<b>E70</b> <b>E72</b>
<b>Physical Education</b>	<b>Active Zone</b> – Get moving with a range of fun sporting activities, from table tennis and badminton to basketball and fitness challenges. Open to all abilities, these sessions are designed to be energetic, engaging, and a chance to try something new.	<b>Sports Arena Sports Hall</b>
<b>Religious Education</b>	<b>Journeys of Aspiration</b> – Take a walk along our RE learning journey and reflect on your hopes for the future, exploring how the subject helps shape values, purpose, and pathways to your future self.	<b>C53</b>
<b>Science</b>	<b>Explosive Reactions</b> – Watch magnesium metal react with acid, then see hydrogen gas dramatically identified with a mini explosion when touched by a lit match. <b>Biology in Focus</b> – Step into the lab and explore science hands-on: test foods for sugar, starch, and protein; examine fascinating animal tissues under the microscope; and prepare your own plant cell slides to view up close. <b>Sound in Flames</b> – Be amazed by the Rubens Tube, where music is transformed into dancing flames that reveal the hidden patterns of sound waves.	<b>B30</b> <b>B31</b> <b>B40</b>
<b>Textiles</b>	<b>Fragrant Sachets</b> – Get creative with fabric and design as you craft your own scented sachet to take home, showcasing the skills and imagination at the heart of textiles.	<b>T5</b>
<b>Psychology</b>	<b>Mind Games</b> – Explore the human mind with interactive brain models and test your thinking skills in a fun 'What am I?' game.	<b>T36</b>
<b>FREE Book!</b>	<b>Free Book Giveaway</b> – Take home a book of your choice as a gift from us! With a wide selection of fiction and non-fiction titles for different reading ages, there's something for everyone to enjoy – the perfect way to inspire a love of reading.	<b>D65</b>
