

St Peter's

Collegiate Academy

Ref: TMF/KWA

16 December 2025

Dear Parents and Carers,

As we approach the end of this term and continue our journey through Advent, a season rooted in hope, peace, joy and love, I would like to take this opportunity to thank you for your continued support of St Peter's Collegiate Academy.

Advent invites us to pause and reflect on the values that bind us together as a community, encouraging care, compassion and service to one another. These values are lived out daily across our academy, and this term has been filled with many moments of learning, growth and togetherness that we are proud to share.

Our students have shown resilience, commitment and aspiration throughout the term, and our staff have worked tirelessly to support them. To celebrate these achievements, we will shortly be sharing our Autumn 2 Review, which highlights the rich and varied life of the academy and the successes of our students and staff. I hope you will take time to read it and join us in celebrating the flourishing community we continue to build together.

As communicated separately, students will return in January on a phased basis, and we thank you for your support and understanding as we prepare for this important next chapter, including our move into the new building. We look forward to welcoming students back refreshed and ready for the new term.

On behalf of everyone at St Peter's Collegiate Academy, I wish you and your family a peaceful and joyful Christmas, and a happy and healthy New Year. Thank you, as always, for your partnership and support.

With warmest regards

Mr T Mullen-Furness
Principal
