Dear Parents and Carers,

Re: Culture Week

This week at St Peter's, we are celebrating our Culture Week. We kicked off the festivities today with a lunchtime performance from our Big Band, which brought great energy to the academy.

The celebrations will continue throughout the week with a lineup of student-led events:

- **Tuesday:** Dhol Drumming. Three of our talented students will be performing live for everyone during lunchtime.
- **Wednesday:** Culture Fayre. Students will be setting up stations in the Quad to share elements of their heritage and culture with their peers.
- **Thursday:** Dance Showcases. Three student dance groups will be taking the stage to showcase their talents during lunchtime.
- **Friday:** Cultural Dress Day. A colourful finale to our week, where students are warmly invited to celebrate their heritage.

On Friday, we are encouraging all students to come to the academy wearing their traditional or cultural dress. Rather than asking for a standard monetary donation for this non-uniform day, we are launching a sustainable community initiative: the **Preloved Swap Shop**. We kindly request that students bring in any old, clean, and reusable school uniform items they no longer need, which will allow us to stock and launch a preloved uniform swap shop to support our academy community.

If you would like any further information about the week's events, please feel free to contact Reception on 01902 558600 or email info@stpetersacademy.org.uk. Thank you for your support in making these celebrations meaningful for our students.

Yours faithfully

Mr D Sherriff
Vice Principal
